

# Honor Your Loved Ones With an HSPC Patio Brick!

Are you looking for a lasting way to honor or memorialize your loved ones, whether two-legged animal lovers or your four-legged family members? You can engrave your love in stone while supporting HSPC's mission by purchasing a commemorative brick, to be placed in our brick patio outside the shelter facility. Simply complete the following application and mail it with your payment, or visit us for a view of the patio and make your decision at that time. HSPC will make every effort to engrave the brick as requested; there are a maximum number of characters allowed (12 per line and maximum of 3 lines). We reserve the right to alter your message as needed. Bricks will be ordered at least twice per year and will be placed in our brick patio as weather permits. We look forward to adding your loved ones to our special brick patio!

## Commemorative Brick Application

**Please print – one brick per application**

Name \_\_\_\_\_

Address \_\_\_\_\_
